Introducing our new Social and Emotional Learning Department!

We are delighted to introduce our newly established Social and Emotional Learning Department. This department is dedicated to promoting the well-being of our students and helping them develop essential social and emotional skills.

The SEL Department will focus on:

1. **Providing Support:** Our team of counselors and educators will be available to offer personalized support to students who may be facing challenges or struggling with emotional well-being.
2. **Building Resilience:** Through workshops and programs, we aim to equip our students with the tools to cope with stress, develop resilience, and build a positive mindset.
3. **Promoting Self-Awareness:** By fostering self-awareness, empathy, and emotional intelligence, we encourage our students to better understand themselves and others, forming stronger connections in our school community.
4. **Strengthening Relationships:** We believe that strong relationships between students, teachers, and parents are vital for a thriving educational environment. The SEL Department will facilitate programs to enhance these bonds.

**Student
wellbeing**
